

King County Treatment Service Area Maltby Urban Growth Area

2019 Rate Changes

The **District portion** of the sewer rate will change from a Flat Rate of \$95.20 to a Base + Volume Rate. This is listed on your bill as CVW Sewer. The following rates are effective January 1, 2019:

CV Sewer Collection System District Portion*	Amount per 2-Month Bill	Metered Water Usage
Base Rate (0-1,500 cu ft)	\$37.50 x 2 = \$75.00	Includes up to 2 x 750 cubic feet per 2-month bill
Volume Rate (1,501+ cu ft)	\$3.75 per ERU	Per 750 cubic feet

* + King County Treatment pass-thru rate of \$45.33 per ERU per month (minimum \$90.66)

This rate change reduces the fixed rate by \$20.00 for sewer customers and includes up to 1,500 cubic feet of usage per 2-month bill. A volume rate of \$3.75 per Equivalent Residential Unit (ERU) of 750 cubic feet will also be charged over 1,501 cubic feet.
